Capturing Innovations and Celebrations

Protocols

- Give One, Get One*
- Looking Back/Looking Ahead*
- Here's What!/So What?/Now What?*
- Sort Cards*
- Reflect, Regroup, Return*
- Mapping Highs and Lows*
- Success Analysis Protocol
- Naive Question

Reflections

1. What thoughts come to mind as you think about the ways you and your colleagues have met the immense number of challenges this past year?
2. How has your organization positively evolved?
3. What do you hope to continue to do?
4. How will you foster an opportunity to capture and celebrate the growth and innovations?

Continuing the Conversation

We are gathering interested school leaders willing to share the innovations they have made and want to maintain in their future practice.

If you are interested in being a part of a monthly network of educators who want to share their celebrations of growth, ideas, and innovations, please complete the form [here](#).
